A wide-angle photograph of a fjord at sunset. The sky is a vibrant orange and yellow. In the foreground, a large, light-colored rock formation with a flat, overhanging ledge extends into the frame. A person in a yellow jacket is sitting on this ledge. The fjord below is deep and narrow, with steep, rocky mountains on either side. The water is a mix of deep blues and lighter shades where it reflects the sky. The overall scene is dramatic and captures the beauty of a natural landscape.
